

WHERE'S DUMMY?

Little Wombat has lost his Dummy. Where can it be? In the kitchen, under his sister's bed, or in the old pram? No dummies there. What can he do? Mum thinks he is too old for the dummy, but he still wants it. What's that in the sandpit? Dummy? But it's all sandy and gritty.

In a happy twist at the end, a magpie swoops down and takes the dummy to its nest filled with other dummies. Bye-bye dummy.

'Where's Dummy?' was the number one seller in May 2005 in Adelaide. It was short listed by South Australian Children's Book Council, and was highly recommended by Magpies, a leading literacy journal.
